

## STATE OF MINNESOTA PUBLIC UTILITIES COMMISSION

### Notice of Annual Hearing

**NOTICE IS HEREBY GIVEN** that the staff of the Minnesota Public Utilities Commission will convene the annual public hearing on the Power Plant Siting and Transmission Line Routing Program from 10:00 to 12:00 a.m. on Thursday, December 27, 2007, in the Small Hearing Room at the Commission's offices on the third floor of the Metro Square Building, 121 7<sup>th</sup> Place East, Suite 350, St. Paul, Minnesota, 55101.

The annual hearing is intended to advise the public of matters relating to the siting of large electric power generating plants and routing of high voltage transmission lines and to afford interested persons an opportunity to be heard regarding any aspects of the Commission's activities, duties, or policies pursuant to the Power Plant Siting Act, Minnesota Statutes section 216E.001-.18 (renumbered from 116C.51-.69), or its Power Plant and Transmission Line Siting Rules, Minnesota Rules chapter 7849.5020 to 7849.6500 (renumbered from chapter 4400).

The Commission has prepared an Agenda for the meeting, available on its webpage at <http://www.puc.state.mn.us/index.htm>

At the hearing the public will be afforded an opportunity to be heard through the presentation of oral or written statements. Written statements may also be submitted for inclusion in the annual hearing record by delivery to the Commission's offices at the address above by the close of business on January 31, 2008. The staff recognizes that the time and location makes it difficult for all interested persons to attend, and emphasizes that written comments are encouraged and will be given equal consideration.

Direct all inquiries and written comments regarding the annual hearing to: Bob Cupit, Phone 651-201-2255, email: [bob.cupit@state.mn.us](mailto:bob.cupit@state.mn.us).
