**In the Matter of Application of Great River  
Energy, Northern States Power Company  
(d/b/a Xcel Energy) and unknown others for  
Certificates of Need for the CapX 345kV  
Transmission Projects**

**OAH Docket: 15-2500-19350-2**

**MPUC: E002/CN-06-1115  
(and dockets 06-857; 06-979)**

**NO CAPX 2020 MOTION TO MERGE DOCKETS II**

The CapX 2020 project was initially assigned three docket numbers, Eoo2/CN-06-857, E002/CN-06-979, and E002/CN-06-1115, one for each of the large lines proposed. On November 3, 2006, the PUC ordered the dockets “combined” but that has not yet occurred – although since that Order the three lines have proceeded under one docket number, E002/CN-06-1115, the early filings in dockets E002/CN-06-857 and E002/CN-06-979 remain unincorporated into the new docket. NO CAPX 2020 raised this issue at the first Pre-Hearing Conference before the Administrative Judge, but these dockets have yet to be consolidated. NO CAPX 2020 again raised this matter in a Motion in the OAH docket on February 20, 2008, but these dockets have yet to be consolidated. NO CAPX 2020 once more with feeling asks that dockets E002/CN-06-857 and E002/CN-06-979 be fully integrated into docket E002/CN-06-1115. The Commission’s record in this docket is incomplete without these filings.

The documents at issue in docket E002/CN-06-857, found in eDockets, are:
