

Brookings County - Hampton  
345 kV Transmission Line Project

Docket No. ET2/TL-08-1474  
Exhibit 3

### Comment Form Advisory Task Force

Instructions: Please use this form as a guide for your comments. You can submit comments by mail, fax, email, or phone.

This form is available electronically. If you prefer an electronic format, please request a copy. Alternately, you can submit comments by email in the general structure suggested by this form.

#### Contact Information

Name: *Don Reznechek Superintendent, Electric Dept*

Phone or Email: *320 564 4426 donrez@ambarqmail.com*

Local Governmental Unit: *Granite Falls Municipal Utilities*

#### Routing Challenges

- 1) Please describe what you believe are remaining significant routing challenges, if any, with the proposed Brookings County - Hampton transmission line in your community.

*No problems that we are aware of*

- 2) Is the proposed routing in direct conflict with planning and zoning done by your community? If so, in what ways?

*No*

- 3) If you have identified significant routing challenges, do you believe that an advisory task force would assist your community in addressing these challenges?

*N/A*

## Geography

- 4) If you have identified significant routing challenges, please describe where they occur, e.g. in the Minnesota River valley north of town, between New Prague and Belle Plaine.

N/A.
