Dear Judge Luis and Parties:

I received a call from Ms. Agrimonti asking if my clients had any objection to the requested extension of the public comment period. My clients have no objection.

The additional procedure Ms. Overland proposed, where members of the public would have a brief opportunity to respond to any new issues raised by the USFWS would also seem reasonable.

Sincerely,

Paula Maccabee, Esq.

Dear Judge Luis, Mr. Lewis and Parties:

Applicants filed and served a request for an extension to the public comment period at the end of the day today. Copies of those documents are attached to this email and are provided to give all interested persons the opportunity to review them promptly.

I note that we have included Mr. Michael Lewis of the OAH on this email at his request as he said he will facilitate the processing of this request.

Please advise if you have any questions.

Very truly yours

Mike Krikava
