Re: **In the Matter of the Application for a HVTL Route Permit for the Hampton - LaCrosse 345 kV Transmission Line Project: MPUC Docket E002/TL-09-1448**

Please take notice that the Commission will hear oral argument by parties and limited public comment in this matter during the Commission's regularly scheduled agenda meeting on Thursday, April 12, 2012, beginning no earlier than 9:30 AM.

As a courtesy, you may watch the agenda meeting on our website: www.puc.state.mn.us. Select the April 12, 2012 link under upcoming events and click on the blue 'watch webcast' icon to view the meeting.

The Commission is under no obligation to take public comment at this stage in the permitting process. However, the Commission understands from review of the record that there has been significant interest and concern regarding this project and will hear limited summary comment from persons who are not affiliated with one of the formal parties in this matter.

Oral Argument

Formal parties are allowed an opportunity for oral argument before the Commission pursuant to Minnesota Rule 7829.2700. Formal parties will be heard in the following order and within the allotted time. Answers to Commission questions will not reduce the allotted time. The Applicant will be allowed a final rebuttal.

15 min.	American Transmission Company
10 min.	Rebuttal of Applicants

Public Comment

Summary public comments will be heard following oral arguments. The time allotted for each pre-registered presenter will be three minutes maximum. Persons associated with one of the formal parties listed above should expect their positions will be presented during earlier oral argument by their representative. Persons who register are encouraged to provide summary positions on the facts in the case record, and are reminded that all earlier public hearing comments are included in the record, summarized in the Report of the Administrative Law Judge, and reviewed by the PUC Commissioners

No additional testimony is taken except as direct and limited response to a specific question from Commissioners.

Public Comment Registration

- Persons wishing to provide public comment must sign up in advance by either:
 - E-mailing the Public Utilities Commission: PublicComments.puc@state.mn.us, or,

Addressing the Commission

- Oral public comment will be taken in the order in which registration was received; the person registered must be present at the agenda meeting.
- There will be *limited* time during the agenda meeting allotted for this matter and due to the limited time, registration is not a guarantee to address the Commission.
- It is anticipated that persons registered will not be provided more than three minutes to address the Commission.
- Please note that all comments from previous public hearings and Commission agenda meetings are in the record and have been reviewed by the Administrative Law Judge and by the Commissioners prior to this meeting.
- Because the hearing record is closed, no new evidence can be accepted.

In addition to the Administrative Law Judge's FINDINGS OF FACT, CONCLUSION AND RECOMMENDATION, issued on February 8, 2012 (currently available in eDockets), briefing papers for the Commission are being prepared by the Department of Commerce Energy Facility Permitting staff. This document will be available approximately ten days before the Commission meeting date via eDockets: www.puc.state.mn.us. Click on "Search eDockets" and enter docket number 09-1448, then select OES Comments and Recommendations to view the document.

PLEASE NOTE: Ex parte communication is prohibited [Minnesota Statute, Chapter 216A.037]. Ex parte communication is defined as "oral or written, off-the-record communication made to or by commissioners or commission decision-making personnel, without notice to parties, that is directed to the merits or outcome of an on-the-record proceeding."

Questions regarding scheduling of this matter may be directed to Commission staff at the email and phone contacts provided above. Communication with staff is allowed for procedural, scheduling and status inquiries, or other inquiries or requests, as long as they have no bearing on the outcome of the proceeding.
