PUBLIC SERVICE COMMISSION OF WISCONSIN

Application for Intervenor Compensation filed by Citizens Energy Task
Force to Participate in Docket 5-CE-142

1-IC-483

ORDER

At its open meeting of July 18, 2014, the Commission discussed, modified and approved the applications for intervenor compensation for the participation of Citizens Energy Task Force (CETF) and S.O.U.L. of Wisconsin, Inc. (SOUL), in the proceeding investigating the application of American Transmission Company LLC and Northern States Power Company-Wisconsin (ATC, NSPW, and together as applicants) for authority to construct and operate a new 345 kilovolt (kV) electric transmission line which would extend from the La Crosse, Wisconsin, area to the Madison, Wisconsin, area.

The Commission approves a total of \$75,000 for SOUL and CETF to examine the need for and alternatives to the proposed project, provided the intervenors file a revised combined work plan subject to review by the Commission and delegated approval by the Administrator of the Division of Business and Communications Services.

In approving this application, the Commission finds that CETF and SOUL meet the intent of Wis. Admin. Code ch. PSC 3.

Dated at Madison, Wisconsin, this 23rd day of July, 2014.

**NOTICE OF RIGHTS FOR REHEARING OR JUDICIAL REVIEW, THE
TIMES ALLOWED FOR EACH, AND THE IDENTIFICATION OF THE
PARTY TO BE NAMED AS RESPONDENT**

The following notice is served on you as part of the Commission's written decision. This general notice is for the purpose of ensuring compliance with Wis. Stat. § 227.48(2), and does not constitute a conclusion or admission that any particular party or person is necessarily aggrieved or that any particular decision or order is final or judicially reviewable.

PETITION FOR REHEARING

If this decision is an order following a contested case proceeding as defined in Wis. Stat. § 227.01(3), a person aggrieved by the decision has a right to petition the Commission for rehearing within 20 days of the date of service of this decision, as provided in Wis. Stat. § 227.49. The date of service is shown on the first page. If there is no date on the first page, the date of service is shown immediately above the signature line. The petition for rehearing must be filed with the Public Service Commission of Wisconsin and served on the parties. An appeal of this decision may also be taken directly to circuit court through the filing of a petition for judicial review. It is not necessary to first petition for rehearing.

PETITION FOR JUDICIAL REVIEW

A person aggrieved by this decision has a right to petition for judicial review as provided in Wis. Stat. § 227.53. In a contested case, the petition must be filed in circuit court and served upon the Public Service Commission of Wisconsin within 30 days of the date of service of this decision if there has been no petition for rehearing. If a timely petition for rehearing has been filed, the petition for judicial review must be filed within 30 days of the date of service of the order finally disposing of the petition for rehearing, or within 30 days after the final disposition of the petition for rehearing by operation of law pursuant to Wis. Stat. § 227.49(5), whichever is sooner. If an *untimely* petition for rehearing is filed, the 30-day period to petition for judicial review commences the date the Commission serves its original decision.¹ The Public Service Commission of Wisconsin must be named as respondent in the petition for judicial review.

If this decision is an order denying rehearing, a person aggrieved who wishes to appeal must seek judicial review rather than rehearing. A second petition for rehearing is not permitted.
